fashion as a societal phenomenon has fascinated scholars in different disciplines such as history sociology anthropology psychology and marketing often from an interdisciplinary perspective fashion mirrors societal changes cultural norms and values over time it can be interpreted as mundane everyday practices constructions of identity and status as well as being associated with the art world in this book the focus lies on marketing and the role of marketers when fashion permeates society in deliberate and subtle ways this edited collection critically reflects upon the power of fashion in contemporary society and the role marketing and marketers play in the process of defining creating and preserving fashion but also in divesting fashion that is no longer up to date it expands on existing knowledge to better understand the role marketers play as cultural

agents in determining fashion and its markets contributors to the book are international advanced scholars from a variety of disciplines such as anthropology marketing psychology and sociology who challenge traditional ways of thinking about marketing in a society where problems with overproduction and excessive consumption represent major challenges the critical perspective of the role fashion plays in contemporary society and what influence marketing has for shaping fashion are not merely relevant but necessary this cutting edge interdisciplinary book will appeal to scholars across a broad range of fields including fashion marketing fashion studies and consumer culture research it will also be valuable for students in advanced courses of study in a variety of disciplines besides marketing on the runway of life tim gunn is the perfect life coach you ve watched him mentor talented designers on the hit television show project runway now the inimitable tim gunn shares his personal secrets

for making it work in your career relationships and life filled with delightfully dishy stories of fashion s greatest divas behind the scenes glimpses of runway s biggest drama queens and never before revealed insights into tim s private life gunn s golden rules is like no other how to book you ve ever read in the world according to tim there are no shortcuts to success hard work creativity and skill are just the beginning by following eighteen tried and true principles you can apply tim s rules to anything you set your mind to you ll learn why tim frowns on displays of bad behavior like the vitriolic outburst by martha stewart s daughter about her mother s name brand merchandise you ll discover the downfalls of divadom as he describes vogue s andré leon talley being hand fed grapes and anna wintour being carried downstairs by her bodyguards and you ll get tim s view on the backstabbing by one designer on project runway and how it brilliantly backfired then there are his down to earth guidelines for making life

better for yourself and others in small and large ways especially in an age that favors comfort over politeness ease over style texting at the dinner table wearing shorts to the theater not in tim s book living a well mannered life of integrity and character is hard work he admits but the rewards are many being a good friend being glamorous and attractive and being a success much like tim himself he is never one to mince words but tim gunn is always warm witty wise and wonderfully supportive just the mentor you need to design a happy creative and fulfilling life that will never go out of style learn how to make ethical decisions on a daily basis industry professionals share with you the dilemmas they ve faced in their careers around issues like factory conditions fair wages fast fashions designer knock offs shoplifting and controversial advertising to help you do the right thing the book covers corporate social responsibility social media social compliance audits diversity and human rights among many other topics case

studies profiles and other box features highlight current events and notable industry professionals a structured approach to advocacy for k 12 school librarians focuses their energy on an active path that showcases library programs and resources and expresses the essential role librarians serve in school and student success keeping a library program vital requires regular reflection about current practices and a willingness to implement changes that will position the library and library staff should they be threatened with elimination simply indispensable an action guide for school librarians helps librarians do just that the book begins with an explanation of the need to act and then offers a systematic approach to taking action each chapter is devoted to an active path attracting patrons interacting with teachers parents administrators and the community communicating reacting to situations working for reinstatement if the worst happens and more the book covers advocacy from the subtle

fourth edition provides a balanced presentation of behavioral change and the science of nutrition. Cosplay, comics, anime, and geek culture have exploded into the mainstream over recent years and have resulted in a thriving community of costume enthusiasts and pop culture fans. Today's cosplayers find inspiration on the pages of comics, classic literature, and even history, as well as film, television, and video games, to inform their creative and oftentimes elaborate ensembles. They utilize all manner of materials and techniques, including 3D printers, thermoplastics, craft foam, fabric, and more, to design their costumes and props. Libraries on the leading edge are already embracing this new worldwide sensation by integrating cosplay into their programming and events. Learn all about the world of cosplay and how you can host cosplay events, workshops, makerspaces, clubs, and more in your library. This one-stop guide includes quotes and interviews with librarians who are incorporating cosplay into their

programming, as well as with cosplayers. You'll also find 32 full-color photographs of cosplay in action to give you both ideas and inspiration for getting started. This unique text offers a holistic, insightful, and timely exploration of sustainable practices across the fashion industry. The book takes the reader logically through each part of the author's new Responsible 9 Framework™, providing a clear perspective and examples for each component. The framework thoroughly explains the move away from a singular product, commercial focus to a conscious item approach and circular services business mindset. An organization's people are at the heart of the new framework, and have therefore been rebranded as community next. Addressed is the perceived value of an item or brand and how sustainable pricing initiatives actively influence consumer purchase insights. Into accountable systems are reviewed to examine the importance of responsible processes when considering and integrating a successful sustainable supply chain.

into a fashion business the section on governance looks at the different global organisations available to fashion brands and customers alike which support their transition into a responsible and sustainable future existence the last two sections of the framework are labelled storytelling platforms and honest communication where transparent and honest strategies are highlighted and discussed from a viewpoint of how modern brands are engaging and connecting to the new conscious consumer for each of the nine aspects contemporary case studies from global brands such as stella mccartney zalando and arc teryx alongside insights from current leading experts within the fashion world bring the theory to life showing how sustainability has been integrated throughout the entirety of the fashion business this textbook is perfect for advanced undergraduate and postgraduate students fashion management fashion brand management and fashion marketing as well as reflective

leaders and practitioners within the industry a well illustrated cultural history of the apparel worn by american catholics sally dwyer mcNulty s common threads reveals the transnational origins and homegrown significance of clothing in developing identity unity and a sense of respectability for a major religious group that had long struggled for its footing in a protestant dominated society often openly hostile to catholics focusing on those who wore the most visually distinct clothes priests women religious and schoolchildren the story begins in the 1830s when most american priests were foreign born and wore a variety of clerical styles dwyer mcNulty tracks and analyzes changes in catholic clothing all the way through the twentieth century and into the present which finds the new pope francis choosing to wear plain black shoes rather than ornate red ones drawing on insights from the study of material culture and of lived religion dwyer mcNulty demonstrates how the visual lexicon of clothing in catholicism can

indicate gender ideology age and class indeed clothing itself has become a kind of catholic language whether expressing shared devotional experiences or entwined with debates about education authority and the place of religion in american society this e only volume expands and updates the original 4 volume encyclopedia of women in today s world 2011 offering a wide range of new entries and new multimedia content the entries reflect such developments as the arab spring that brought women s issues in the islamic world into sharp relief the domination of female athletes among medal winners at the london 2012 olympics nine more women joining the ranks of democratically elected heads of state and much more the 475 articles in this e only update accompanied by photos and video clips supplement the themes established in the original edition providing a vibrant collection of entries dealing with contemporary women s issues around the world no history of penn state is complete without the

stories of its many achieving women from rebecca ewing the first female graduate to early pioneering faculty members like harriet mcelwain and lucretia van tuyl simmons to latter day standouts pat farrell nina federoff cynthia baldwin and connie moore women have been an integral part of penn state s tradition of excellence in we are a strong articulate voice carol sonenklar traces the collective path of female students staff and faculty at the university women have overcome many obstacles in their march toward equal representation and professional recognition at penn state we are a strong articulate voice provides a unique look at their struggle revealing moments that have shaped the history and identity of the university the clash between female undergrads and the housemothers charged with keeping them out of trouble the rise of sororities the invaluable contribution of the curtiss wright cadets during world war ii firsthand accounts of the infamous 1950s panty

raids the effect of title ix on women s athletic programs events big and small solemn and silly are all recorded here sonenklar also examines recent milestones in women s progress at penn state including one of the most important events of the last twenty five years the formation in the 1980s of the strategic study group on the status of women she considers the gains made by women faculty staff and students in the years since while looking ahead to the opportunities and challenges of the future based on personal interviews and extensive research in the university archives we are a strong articulate voice combines a lively narrative with dozens of striking photographs making this book a fitting tribute to women s progress at penn state the fundamentals of fashion management provides an in depth look at the changing face of today s fiercely competitive fashion industry providing invaluable behind the scenes insights into the roles and processes of the industry this book combines creative and business approaches for
