mastering the mba provides readers with a wealth of information on how to make the most of business school the book gives a holistic overview of a top mba program from a student s viewpoint with a detailed perspective of career options recruiting classes and social life all three authors graduated from top 5 mba programs they share their experiences along with insights gained from interviews with executives of major financial firms consultancies corporations and students from the top business schools readers are walked through all aspects of life in a top mba program they are introduced to the rigorous recruiting process and given the information needed to maximize recruiting efforts for career success common mba career options are described in detail and interviews with alumni that have pursued investment banking asset management consulting marketing management and finance in a company provide insight to available career paths the book provides a detailed walk through of a summer internship at a bulge bracket investment bank a must read for inspiring bankers readers peak into the classroom and learn what mba life is like both academically and socially the craziness of mba social life may read like fiction but knowing the norms before starting a program will allow readers to be prepared for success mastering the mba was written during the deepest of modern recessions and provides in depth coverage of the financial crisis and its effect on the mba labor market several students experiences with a turbulent mba job market are shared in explicit detail tips are provided for successfully pursuing a career in finance during times of both boom and bust getting into a top program is a great achievement making the most of it is what counts this book helps readers maximize their return on investment in a top mba

by helping them be prepared for recruiting ready for the social scene and engaged in the program of their choice the same critical information top business schools teach based on professor stralser s popular seminar series mba in a day is specifically designed for the busy professional physician attorney architect nonprofit executive etc or entrepreneur small business owner who needs to know about the business side of their practice organization or business with comprehensive coverage of vital business topics important concepts and proven strategies taught at top graduate schools this handy book offers a complete business education without the hassle of enrolling in an mba program divided into four sections covering management and policy economics finance and accounting marketing and systems and processes this straightforward guide is easy to navigate and simple to use packed with illustrative examples helpful anecdotes and real world case studies this commonsense guide covers everything busy professionals would learn at the very best business schools if they only had the time steven stralser phd phoenix az is clinical professor and managing director the global entrepreneurship center at thunderbird the american graduate school of international management and founder and ceo of the center for professional development inc an organization dedicated to post graduate training and education of today s professionals the top secrets to getting into the best mba programs from a leading industry expert top mba programs reject more than 80 percent of their applicants but author chioma isiadinso s admissions consulting firm has successfully guided 90 percent of her students into the best business schools around the world as a former admissions board member isiadinso offers insider tips and strategies to help applicants get into the school of their choice by building and promoting their personal brand this revised and updated edition now offers the do s and don ts of social media networking sample admissions essays that worked an international perspective for global admissions appeal getting into

mba programs is more and more competitive this over 600 page book will improve your chances of admission to the schools of your choice this version of the edge aimed at us applicants features an in depth analysis of applying to each school steven silbiger has distilled the material of the ten most popular business schools in order to teach readers the language of business at the rate of one easy to understand chapter a day this book will enable readers to absorb the material speak the language and most importantly acquire the confidence and expertise needed to get ahead in the competitive business world a complete guide to what an mba is who it is suitable for and how to choose fund and apply for a course plus guidance on the content and benefits of mba study a directory of the best accredited courses in the uk and a selection of the leading international courses giving overviews and entry requirements comprehensive authoritative guide to mba programs worldwide the mba has rapidly become the world s most desired degree with graduates of top business schools landing six figure pay packages in private equity high tech investment banking and management consulting as a result the competition for admission into select programs is fierce some schools admit less than 10 percent of applicants this third edition of your mba game plan includes even more sample essays and resumes from successful applicants fresh insight on 35 leading business schools from around the world and advice specifically tailored to international applicants it will show you how to select target schools and highlight the personal characteristics and skill sets they seek navigate the gmat or gre question assess your own candidacy with the objective eye of an mba admissions officer craft compelling essays and resumes that highlight your most salient attributes and make you stand out to the admissions committee avoid the mistakes that ruin thousands of applicants chances each year perform flawlessly during your admissions interviews the benefits of a master of business administration mba degree can be massive fast track career advancement a big fat wage packet the

whole high flying top notch executive lifestyle but studying for an mba isn't something to decide to do lightly it's a big investment to take a year or more out of your career path or commit endless week ends to a part time version and for many the cost of either of these options is prohibitive instant mba is the must have guide to making the most of yourself and your career prospects whether you're studying for an mba or just out to improve your prospects while you work covering all the latest in mba thinking instant mba will impart the mba thinking language and models necessary to accelerate your career advancement designed to enable readers to think perform and hopefully earn like a top mba student instant mba is packed with inspiring and expert practical advice on everything you need to know from the original tried and tested business models to the newer aspects such as emotional intelligence and inspirational leadership that modern mba courses are now embracing the average debt load for graduates of the top business schools has now exceeded 100 000 for most young professionals this means spending the first half of their career in the red and feeling pressure to take the first position offered to them so that they can start paying off their debt but it doesn't have to be that way author and businesswoman laurie pickard discovered a way to get the business education she needed to land her dream job while avoiding the massive school loans that plague so many and in don't pay for your mba she shares all that she learned so that others can benefit as well pickard discovered that the same prestigious business schools that offer the mbas so many covet also offer moocs massive online open courses for low or even no cost by picking the right classes from the best schools she gained the skills she needed and avoided the debt she could not afford to take on the most difficult part was knowing how to begin and where to look so she has provided this resource for other self starters career changers and budding entrepreneurs so that they can best learn how to navigate the expanding universe of online

education within these pages learn how to define your goals and tailor a curriculum that is geared toward your dream job master the language of business build a strong network choose a concentration and deepen your expertise showcase your nontraditional education in a way that attracts companies don't fall for the lies that pressure countless graduates every year into mba programs and insurmountable debt self directed online learning can fill gaps in your training position you for promotions and open up new opportunities at a fraction of the cost strategies for turning your next interview into an offer as taught at today's leading business schools every job interview is a one shot opportunity to dramatically improve your career and lifestyle world class mba programs recognize this fact and now provide their students with detailed courses and coaching on how to dress for an interview what to say what not to say and more how to interview like a top mba presents today's best of the best strategies and skills into an all in one mba level interviewing how to featuring insights from fortune 100 executives headhunters career counselors and mba graduates this no nonsense guidebook arms you with tips for highlighting your relevant skills and experience with concise compelling and well structured answers information you should know about an interviewing company its industry the position and even the interviewers themselves ways to directly address résumé weak spots or periods of extended unemployment without apologizing techniques for identifying and highlighting transferable skills when you're looking to enter a new profession worksheets charts and other hands on tools for mapping out a powerful interview strategy and plan of action 100 sample questions you can expect to hear with sample answers that can impress your interviewer in today's ultracompetitive and uncompromising job market the next position you get will set the tone for the rest of your career let how to interview like a top mba show you how to develop the skills and confidence you need to enter each interview as a top candidate and turn that

interview into an exciting new job revised and updated to answer the challenges of a rapidly changing business world the 4th edition of the ten day mba includes the latest topics taught at america s top business schools from corporate ethics and compliance to financial planning and real estate to leadership and negotiation with more than 400 000 copies sold around the world this internationally acclaimed guide distills the lessons of the most popular business school courses taught at harvard stanford the university of pennsylvania the university of chicago northwestern and the university of virginia author steven a silbiger delivers research straight from the notes of real mba students attending these top programs today giving you the tools you need to get ahead in business and in life author david petersam helps readers focus on the overlooked issue of business school fit create a personal ranking for their best fit schools and prepare applications that tell admissions committees why they are the right match for their programs the inside look helps readers write essays manage applications prepare for interviews time applications transition to student life get the most out of classes and more a cd rom packaged with the book contains a complementary subscription to additional book content on the admissionsconsultants website it also helps individuals rank mba programs and learn which schools are a strong match for their interests and abilities according to business insider getting your mba has never been easier haroun is one of the highest rated professors on udemy so you can expect to be in good hands through the course of your education this is the book version of the popular udemy com course called an entire mba in 1 course from the author of 101 crucial lessons they don t teach you in business school which forbes magazine calls 1 of 6 books that all entrepreneurs need to read right now this book will teach you everything you need to know about business from starting a company to taking it public most business books are significantly outdated this book leverages many online resources and makes the

general business accounting and finance process very easy to understand and enjoyable too there are many incredibly engaging and entertaining video links in the book to youtube and other sources edutainment works although this book is close to 400 pages i tried to visualize the content of this book as much as possible as this is a more impactful and enjoyable way to learn think pinterest versus the tiny words in the economist the contents of this book are all based on my work experience at several firms including goldman sachs the consulting industry at accenture a few companies i have started the hedge fund industry where i worked at citadel and most recently based on my experience at a prominent san francisco based venture capital firm i also included many helpful practical business concepts i learned while i did an mba at columbia university and a bachelor of commerce degree at mcgill university think of this book as a greatest hits business summary from my mba undergraduate business degree work experience in consulting equities hedge funds venture capital and starting my own companies as the title of this book suggests this is an entire mba in one book it s also a practical manual to help you accomplish your business career goals i have minimized boring theoretical concepts in this book in order to keep it as close to reality as possible i hope you enjoy it in addition to teaching at 4 universities in the san francisco bay area you can find other courses that i teach online at udey com user chris haroun slick short funny and focused and more than 4 000 times cheaper than an mba independent the 80 minute mba is your short cut to business brilliance a traditional mba is for either the time rich very wealthy or lucky few with a generous corporate sponsor so what happens if you want to get a hit of high quality business inspiration without spending two years back at school the 80 minute mba is the gateway to fresh thinking in less time than it takes a standard meeting to get past coffee and biscuits managers need the encouragement to think differently not in the same straight lines the 80 minute mba is an injection

of inspiration creative thinking and dynamic approaches which will help you see the world of business differently the best minds in business at your service mba in a box brings together some of the best brains in business who show how the core curriculum of an mba program works in the real world people like michael porter rosabeth moss kanter adrian j slywotzky warren bennis and bill george give you a box full of ideas and tools that can boost your career and help you add value to your organization for example why finance is not just about manipulating numbers but of immense importance in sustaining growth building widespread wealth and creating jobs the profit zone and how to tell if a business is in one the skill of turning an idea or invention into a product that solves a problem for a market merging the need of business to produce and grow with the environment so they are both sustained the latest thinking in marketing about branding pricing reversing a product s life cycle and turning what has become a commodity into a specialty and much more this revised and expanded edition of the bestselling book the personal mba by josh kaufman gives you everything you need to transform your business your career or your working life forever an mba at a top school is an enormous investment in time effort and cold hard cash and if you don t want to work for a consulting firm or an investment bank the chances are it simply isn t worth it josh kaufman is the rogue professor of modern business education feted by everyone from the business media to seth godin and david allen he s torn up the rulebook and given thousands of people worldwide the tools to teach themselves everything they need to know the personal mba teaches simple mental models for every subject that s key to commercial success from the basics of products sales marketing and finance to the nuances of human psychology teamwork and creating systems this book distils everything you need to know to take on the mba graduates and win file this book under no excuses seth godin author of purple cow and linchpin well on its way to becoming a business classic you re

pretty much guaranteed to get your money's worth if not much much more jason hesse real business josh kaufman has synthesized the most important topics in business into a book that truly lives up to its title it's rare to find complicated concepts explained with such clarity highly recommended ben casnocha author of my start up life josh kaufman is an acclaimed blogger and consultant who helps people improve their business skills he previously worked at proctor gamble since 2005 josh has been helping people learn about business without remortgaging their lives through his website personalmba.co strategies for turning your next interview into an offer as taught at today's leading business schools every job interview is a one shot opportunity to dramatically improve your career and lifestyle world class mba programs recognize this fact and now provide their students with detailed courses and coaching on how to dress for an interview what to say what not to say and more how to interview like a top mba presents today's best of the best strategies and skills into an all in one mba level interviewing how to featuring insights from fortune 100 executives headhunters career counselors and mba graduates this no nonsense guidebook arms you with tips for highlighting your relevant skills and experience with concise compelling and well structured answers information you should know about an interviewing company its industry the position and even the interviewers themselves ways to directly address résumé weak spots or periods of extended unemployment without apologizing techniques for identifying and highlighting transferable skills when you're looking to enter a new profession worksheets charts and other hands on tools for mapping out a powerful interview strategy and plan of action 100 sample questions you can expect to hear with sample answers that can impress your interviewer in today's ultracompetitive and uncompromising job market the next position you get will set the tone for the rest of your career let how to interview like a top mba show you how to develop the skills and confidence you need to enter

each interview as a top candidate and turn that interview into an exciting new job a veritable bible of the b school application process montauk gives you the skinny on every aspect of the application game more than ever before students and employers are choosing the executive mba as a means to obtain the coveted mba degree from changing careers to working up the corporate ladder know your business school options full time part time online and executive mba boost lifetime earning power develop life long friendships expand business and social network and immediately apply the training and education at work there are over 250 accredited business schools in the united states and over 300 worldwide that offer an executive mba in this book learn from emba graduates employers hiring managers financial aid officers and career experts discover how full time employment while in business school brings a wealth of experience into the classroom understand why the executive model is the future of business educational delivery read how it is the most practical method to get an mba given our busy lives if your five year plan included an mba then this book is for you consider these questions is the time right and can you make the commitment can you continue to work while in school how can you get your employer to help pay is the emba the best option for me destination mba an mba is what you have in mind but do you know how to navigate smoothly and effectively through the gruelling admission process this book gives you a brilliant head start on how to go about it and stay ahead it comes from an experienced mba admissions coach who advises you on the key elements of admission choosing your schools and programmes beginning the applications crafting your essays writing your letters of recommendations and gearing up for the interviews you are also inspired by samples of real life essays of those who have been through it and succeeded most of the self help tools suggested in this book are those which the author herself uses to counsel her students a thorough reading will empower all mba aspirants and give them an edge over other applicants so

good luck an mba has become an essential tool for tomorrow s ceo in a world where it seems that everyone has a degree the only way you can be sure to rise to the top is by gaining your degree at a top quality internationally recognized university no longer is an undergrad degree enough for entry into fortune 500 companies you are going to need a top quality mba this book will help you navigate the complexities of which country and which college is best for you all the preparatory work you need to do to help you gain admission and prepare you for your classes by buying this book you are taking the first step in securing your future chris white president group ceo this outstandingly helpful book is packed with cuttingedge tips and real world success strategies you can start applying immediately to get into the mba program of your choice i stand in awe of mansie dewan s amazing ability to record so well in writing the integration of so many invaluable insights gained from her years of extensive experience coaching individuals through the business school application process if you want to get an mba this book is a must have jonathan jordan president and business executive coach global change management usa mindfullychange com in september 2014 a chinese company that most americans had never heard of held the largest ipo in history bigger than google facebook and twitter combined alibaba now the world s largest e commerce company mostly escaped western notice for over ten years while building a customer base more than twice the size of amazon s and handling the bulk of e commerce transactions in china how did it happen and what was it like to be along for such a revolutionary ride in alibaba s world author porter erisman one of alibaba s first western employees and its head of international marketing from 2000 to 2008 shows how jack ma a chinese schoolteacher who twice failed his college entrance exams rose from obscurity to found alibaba and lead it from struggling startup to the world s most dominant e commerce player he shares stories of weathering the dotcom crash facing down ebay and google negotiating with the

unpredictable chinese government and enduring the misguided advice of foreign experts all to build the behemoth that is poised to sweep the ecommerce world today and he analyzes alibaba's role as a harbinger of the new global business landscape with its focus on the east rather than the west emerging markets over developed ones and the nimble entrepreneur over the industry titan as we face this near future the story of alibaba and its inevitable descendants is both essential and instructive what are the best companies for mba grads vault.com surveyed hundreds of recent grads to find out ranking and profiling over 50 of the most prestigious and desirable companies in the world a must have for mba students and mba wannabes learn an entire mba course without spending thousands and waving goodbye to two years of your life if you want to succeed in business then an mba programme is the best way to build expertise knowledge and experience but an mba programme at any top school is an enormous investment in time effort and money in the visual mba jason barron offers a radical solution explaining all key business school concepts through illustrations when barron started his mba course he decided to draw all his notes so that other people could benefit from them and it's a good thing he did because research shows that more than 65% of us are visual learners and that our brains process illustrations 60,000 times faster than text from marketing ethics and accounting to organisational behaviour finance operations and strategy the visual mba distils the most important principles of an mba into an accessible informative and easily digestible guide jason barron is a product manager and illustrator who helps people realise their creative ideas through visual learning he spent 516 hours in class and countless hours studying at home completing his mba along the way rather than taking notes that he would never read again jason created sketchnotes for each class and has turned them into an interesting and engaging resource so that you don't have to sit through another class again fast track your way into the ivy

league other top colleges mba aspirants globally 2 50 000 seats at a top business school 1 000 the world s most ambitious determined and accomplished youth dream of gaining access to prestigious business schools globally an mba degree from a top institute is their golden ticket to the world the competition is stiff the stakes are high how can you break the code expert admissions counsellor vibha kagzi pens india s first comprehensive book on mba admissions to help you get there a harvard mba herself she has been on a mission to help aspirants achieve their targets over the past decade she has helped hundreds of students crack the ivy league and other top ranked mba programs worldwide in this groundbreaking book she reveals all her secrets from profile building strategies to essay writing and financing your mba dream this book also features exclusive insights from admissions officers at 17 top schools globally including columbia kellogg chicago esade rotman smu yale and tells you what qualities they look for in their candidates it also contains sample resumes and essays of successful admits concise lists of dos and don ts and several comparative data tables everything a top admissions consultant knows is now in your hands vibha kagzi holds an mba from harvard business school and a bachelors degree from carnegie mellon university she has pursued courses at the university of california berkeley london school of economics and the indian school of business she is also a certified life coach comprehensive concise compelling and a must read for all business school applicants mukesh ambani chairman md reliance industries limited the business school application scares most people sure to outsiders it looks simple enough fill out a few forms take a standardized test send transcripts answer some essay questions get recommendations and voila you re in if only as you consider the prospect of business school you know it is not simple at all even deciding whether to apply or to what schools you should apply is a challenge and there are no easy answers unlike other guides to mba admissions admitted gives you a framework for applying

and helps you organize your thoughts so that you can tell your authentic story in the mba application it helps you navigate the process inspired by real life stories of those who have been there before and succeeded as you explore and try on different mba programs for size admitted serves as your guide instead of telling you what school fits the exercises in the book encourage and challenge you to ask the important questions that will help you decide what fits and importantly what does not the workbook also has exercises for you to dissect your work history and create compelling stories about what you've achieved admitted not only helps you structure your campaign it encourages you and gives you guidelines to explore your aspirations experience work style emotional intelligence and place in the world betsy massar's book gives mba applicants a much needed framework for submitting a stellar application with this book you'll be able to tell stories about yourself that show off your leadership and emotional intelligence and gain the insight to build a well rounded holistic application leila pirnia founder mba podcaster this is the definitive guide to getting into a top mba program the book's organized easy to read format is exactly what prospective business students need to prepare themselves for admission i highly recommend it janet hanson ceo and founder 85 broads if more potential mba students knew about the tools in admitted they'd be able to write much stronger essays betsy's witty insightful book will guide you through the thinking process that will help you get into a top business school marie highby former member of the stanford graduate school of business admission team with the immediacy of today's nasdaq close and the timeless power of a greek tragedy the quants is at once a masterpiece of explanatory journalism a gripping tale of ambition and hubris and an ominous warning about wall street's future in march of 2006 four of the world's richest men sipped champagne in an opulent new york hotel they were preparing to compete in a poker tournament with million dollar stakes but those numbers meant nothing to them they

were accustomed to risking billions on that night these four men and their cohorts were the new kings of wall street muller griffin asness and weinstein were among the best and brightest of a new breed the quants over the prior twenty years this species of math whiz technocrats who make billions not with gut calls or fundamental analysis but with formulas and high speed computers had usurped the testosterone fueled kill or be killed risk takers who d long been the alpha males the world s largest casino the quants helped create a digitized money trading machine that could shift billions around the globe with the click of a mouse few realized though that in creating this unprecedented machine men like muller griffin asness and weinstein had sowed the seeds for history s greatest financial disaster drawing on unprecedented access to these four number crunching titans the quants tells the inside story of what they thought and felt in the days and weeks when they helplessly watched much of their net worth vaporize and wondered just how their mind bending formulas and genius level iq s had led them so wrong so fast this book is far better than it has any right to be my best advice is that you shouldn t waste the time and money it takes to get an mba but if you re going to ignore that advice please please read this book first seth godin stanford mba and new york times bestselling author of lynchpin and tribes here s the powerful truth about getting into business school it starts by being honest with yourself as a graduate of stanford s graduate school of business and throughout her career as a highly sought after admissions consultant as well as yoga instructor and life coach katie malachuk has learned that no matter your vocation fulfillment is only achieved when you find your true place in the world with earn it she offers her surprising yet highly successful approach that transforms the admissions process from burden to adventure earn it can supply you with the practical insider savvy of a winning consultant but it goes well beyond other books in the field it seeks to reveal your true self your gifts values and callings this is more than your

average guide to getting accepted to prestigious programs it s a guide to finding your bliss and making it last well beyond graduation the authors give the most comprehensive authoritative and compelling account yet of the troubled state of business education today and go well beyond this to provide a blueprint for the future every job interview is a one shot opportunity to dramatically improve your career and lifestyle world class mba programs recognize this fact and now provide their students with detailed courses and coaching on how to dress for an interview what to say what not to say and more how to interview like a top mba presents today s best of the best strategies and skills into an all in one mba level interviewing how to featuring insights from fortune 100 executives headhunters career counselors and mba graduates in today s ultracompetitive and uncompromising job market the next position you get will set the tone for the rest of your career let how to interview like a top mba show you how to develop the skills and confidence you need to enter each interview as a top candidate and turn that interview into an exciting new job this book offers a direct actionable plan cmos can use to map out initiatives that are properly sequenced and designed for success regardless of where their marketing organization is in the process the authors pose the following critical questions to marketers 1 how should modern marketers be thinking about artificial intelligence and machine learning and 2 how should marketers be developing a strategy and plan to implement ai into their marketing toolkit the opening chapters provide marketing leaders with an overview of what exactly ai is and how is it different than traditional computer science approaches venkatesan and lecinski then propose a best practice five stage framework for implementing what they term the ai marketing canvas their approach is based on research and interviews they conducted with leading marketers and offers many tangible examples of what brands are doing at each stage of the ai marketing canvas by way of guidance venkatesan and lecinski provide examples

of brands including google lyft ancestry com and coca cola that have successfully woven ai into their marketing strategies the book concludes with a discussion of important implications for marketing leaders for your team and culture surefire strategies for getting into the top mba programs now with new and expanded information on international mba programs comprehensive rankings of the leading schools and new interviews with admissions officers how to get into the top mba programs provides a complete overview of what the top schools look for this book features a step by step guide to the entire application process with in depth advice from more than thirty admissions directors it shows you how to develop your optimal marketing strategy assess and upgrade your credentials choose the programs that are right for you write quality essays for maximum impact choose and manage your recommenders ace your interviews prepare for business school and get the most out of your program once you go an excellent and very thorough information source for anyone applying to mba programs sharon j hoffman associate director and dean of the mba program stanford graduate school of business how to get into the top mba programs provides a complete overview of what the top schools look for with a step by step guide to the entire application process with in depth advice from admissions directors from colleges across the country this fully revised sixth edition features new information on online mba programs comprehensive rankings of the leading schools and new interviews with admissions officers readers will learn how to develop an optimal marketing strategy assess and upgrade their credentials choose the right program write quality essays for maximum impact choose and manage their recommenders ace their interviews prepare for business school and get the most out of their chosen program with expanded coverage of asian programs north american accelerated programs and the latest insights on the new gmats and gres how to get into the top mba programs is the most comprehensive trusted mba guide on the market mba notes is a combination of

lecture notes strategic frameworks and useful business and management concepts drawn from online sources it is primarily intended for current managers who don't have the time or inclination to enroll in an mba program mba alumni that want to refresh the concepts learned during their study prospective mba students that want to get an advanced look at what they will be studying you will find useful material covering the subjects taught in business schools including accounting business law case analysis tips and tools economics finance leadership marketing operations organizational behavior statistics strategy including various useful frameworks this book does not read like a regular business book or textbook and does not provide detailed explanations and illustrations of the concepts rather it offers condensed lists summaries formulae and other highlights of core concepts publisher's description what the best mbas know provides professionals who don't have the coveted mba designation with the skills and knowledge taught in today's finest programs professors from stanford mit northwestern and other influential programs contribute detailed chapters on broad scope topics such as strategy functional areas including accounting and key disciplines from managerial economics to decision analysis the resulting application based book gives readers complete mastery over the most important concepts of an mba education leveling the playing field between mba and non mba professionals organized according to the subject matter of the core mba curriculum this unique and valuable book features fascinating boxes discussing real world situations and applications companion website with interactive exercises key links and more and focused review questions and exercises for each chapter and area provides a detailed overview of the best business schools across north america including information on each school's academic program competitiveness financial aid admissions requirements and social scenes
