from cars and cell phones to washing machines this book presents the most objective product information available with consumer reports ratings repair histories product recommendations and buying advice part of consumer reports new home guide series this book combines depth of information with an easy to use graphical presentation that makes technical concepts easy to understand formerly

called the audio video buying guide this new guide cuts through the sales hype to help consumers judge essential features and make the right choices for their particular needs features ratings and recommendations for more than 2 000 brand name products including electronics home appliances garden supplies and even supermarket items also includes brand repair histories and shopping strategies to help make the most informed buying decisions wherever you go plus reviews of the 2018 cars pickups suvs minivans buying a car can be a smart idea a car loses the lion s share of its value when it is driven off the new car lot so why let someone else take that loss but buyer beware a used car is likely to need more repairs and may come with a short warranty or none at all in addition used cars may lack the latest safety features that is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car the auto experts at consumer reports have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of used car buying guide this fabulous tool will help steer any consumer who is in the market for a used car towards the better performing and more reliable used car models and away from those models with a troubled past or substandard performance before consumers set foot on a used car lot they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice consumer reports knows cars and offers the most detailed and revealing used car reliability information available anywhere including unbiased reviews of every major model from 1999 2006 lists of the best and worst used vehicles and how to avoid a lemon a checklist of what to look for when inspecting a used car best used cars for gas mileage tips on negotiating the best pricereliability recalls and crash test

information making sense of safety information how to get the most money when trading in your current car the majority of this book is devoted to the profiles of 264 cars minivans suvs and trucks presenting all major 1999 2006 models each profile contains a photo from the representative year a write up of the vehicle reliability history crash test data and the model years when key safety gear was added and when a major redesign was made presents consumer information that includes up to date reports test results and ratings for product brands and models from stereos to food processors in an era of deregulation when consumers have never been more vulnerable to corporate surveillance unsafe food and dangerously faulty products the president and ceo of consumer reports gives us a playbook to put the power back in our hands you ve been getting ripped off the rules that have protected consumers for decades are failing companies are spying on us many of the products we once trusted are dangerous and failing at alarming rates whether we are buying a crib a small appliance an iphone app or shopping for car insurance it s become harder than ever to know whether the choices we make in the marketplace are putting us at risk either from physical harm or the abuse of our personal data by hackers or corporations this is intolerable it s wrong and we don t have to put up with it anymore marta l tellado the president and ceo of consumer reports has been an advocate for consumers for decades in buyer aware tellado shows you the steps you can take to protect yourself from predatory business practices and how to exert your inherent power as a consumer to spur politicians and businesses to clean up their act only then can we ensure that we have an economy that is fair safe and transparent for all and puts consumers first
