features helpful photographs illustrations and original charts professors and student will benefit from text and notes that are fully up to date on the latest developments in tort law including new restatement provisions and the latest decisions from state federal and foreign courts more than 15 years of overwhelmingly positive student and instructor feedback from law schools across the u s which demonstrate that tort law responsibilities and redress is the most user friendly torts casebook on the market the book is completely contemporary classic tort cases are included but emphasis is placed on modern cases and modern issues that demonstrate tort law s continued importance and relevance teaching materials include teacher s manual including sample syllabi the 500 page teacher s manual has no rival among torts casebooks comprehensive deck of powerpoint slides 200 powerpoint slides available to adopters can be adapted for use in class or to help instructors organize their class discussions casebookconnect features online e book law school comes with a lot of reading so access your enhanced e book anytime anywhere to keep up with your coursework highlight take notes in the margins and search the full text to quickly find coverage of legal topics practice questions quiz yourself before class and prep for your exam in the study center practice questions from examples explanations emanuel law outlines emanuel law in a flash flashcards and other best selling study aid series help you study for exams while tracking your strengths

and weaknesses to help optimize your study time outline tool most professors will tell you that starting your outline early is key to being successful in your law school classes the outline tool automatically populates your notes and highlights from the e book into an editable format to accelerate your outline creation and increase study time later in the semester law school notes tort edition volume 1 has been specifically written for the law student bar examinee and individual who seeks to acquire the skills to learn the rules of law and write legal fact patterns the design of the book allows easy access and comprehension the law school notes series is a dynamic learning tool to help in the memorization of the rules of law learning the many hundreds rules of law can be an intimidating experience but the law school notes series is an instrument to overcome the complexity of learning the law law school notes provides the better way to learn law the hundreds of various law books and papers have been summarized into precise notes with an easy method to pass law examinations and the bar lsnmrprofessor gmail com a companion for undergraduate tort law students providing a comprehensive portable library of leading tort cases horsey rackley bring together a range of carefully edited extracts combined with insightful commentary and annotated cases to help students identify and analyse the key elements of a case tort law summary notes designed specifically for the first year law student darrows legal notes is a law school

outline covering the principles of torts from one of the biggest names in law school study aids you've seen your classmates pore through them and soon you'll know why Darrows legal notes are among the very best commercial legal study guides available torts topics covered include intentional torts against the person intent defined nominal and punitive damages scope of liability battery assault false imprisonment mental distress intentional interference with property land trespass trespass to chattels conversion defenses to intentional torts consent self defense defense of others defense of property arrest authority of law justification negligence generally components unreasonable risk reasonable person rules governing behavior malpractice violation of statutes jury trials res ipsa loquitur actual proximate cause causation in fact foreseeability intervening cause joint tortfeasors liability satisfaction release contribution indemnity duty failure to act effect of contract mental suffering unborn children pure economic loss owners and occupiers of land outside premises injuries on premises trespassers licensees invitees rejection of categories lessors lessees vendor vendees damages personal injury punitive recovery by spouse of children wrongful death actions defenses in negligence actions contributory comparative assumption of risk immunities vicarious liability employer employee independent contractors joint enterprise strict liability animals abnormally dangerous activities limitations on strict liability

worker's compensation products liability negligence warranty strict liability duty to warn designer defects defenses statute of limitations nuisance public private misrepresentation defamation if you're looking for a study guide we highly recommend the complete Darrows legal notes series don't get left behind written first and foremost as a teaching tool torts cases and materials is a casebook that engages students without avoiding the hard questions modeled on the venerable Prosser casebook but intended to be modern accessible and yet sophisticated this book consistently gets high marks from students for being clear user friendly and not playing hide the ball like so many other casebooks challenging hypotheticals and authors dialogues engage students while allowing instructors to probe more deeply into ambiguous or developing areas of law the book's manageable length makes it ideal for a three to four hour introductory torts course new to the fifth edition cases that are judiciously edited so as to let the judges' voices be heard along with the inclusion of dissenting opinions where important numerous recent cases have been added both in the notes and as principal cases while old material has been pruned back to reduce unnecessary bulk continued integration of the third restatement throughout the book including caselaw development following the new restatement particularly in the area of foreseeability duty and proximate cause professors and student will benefit from text

designed to clarify the law not further befuddle students explanations note cases and hypotheticals that are aimed at increasing understanding writing style written in a conversational manner to be plain spoken and transparent about both the law and the authors pedagogical goals the foundations of tort law in various European legal systems differ considerably until now there has not been an attempt to harmonise the entire field of tort law in a consistent manner to rectify this a group of tort lawyers has proposed to address the fundamental questions underlying every tort law system the result is this important series of books which searches for a common law of Europe without the necessity yet to lay these principles down in formal legal texts such as a European civil code identifying the most relevant factors in establishing liability as wrongfulness causation damage fault and the area of strict liability the authors concentrate on the tort liability factor under discussion in each volume combining theoretical abstract analysis with the discussion of concrete cases each author gives an overview of the particular tort liability factor under his or her national legal system primarily by working out the concept and its importance in establishing liability and then applies the analysis to actual cases the subsequent conclusions aim at the coordination of the results and other important factors in summary each volume tries to make clear what common ground pertaining to each tort liability factor underlies all the legal

systems concerned with respect to the law of tort each volume also provides the academic and practitioner with the fundamental issues relating to that factor underlying the law of tort in the countries covered designed as an introduction for tort law students this book offers a probing analysis of basic concepts and an examination of the everyday human problems that this area of law addresses the honourable allen m linden and professors lewis n klar and bruce feldthusen bring to bear a wealth of experience in the classroom and from the bench to guide students through this fundamental aspect of the canadian judicial tradition publisher s description this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public to ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant exam revision notes provide

students with the perfect foundation for successful revision the core topics common to the main as a level specifications are covered in the form of concise and highly relevant notes this helps students to identify the areas they need to revise allowing them time to develop the higher level skills of analysis and evaluation the notes are accompanied by short commentaries that develop key points identify common pitfalls and offer advice for tackling each topic cases and materials on torts preserves historical and conceptual continuity between the present and the past while addressing the most significant contemporary controversies in such fast moving areas like public nuisance global warming and product liability with new litigation against internet providers toward these dual ends richard a epstein and catherine m sharkey have retained in the twelfth edition the great older cases both english and american that have proved themselves time and again in the classroom and which continue to exert great influence on the modern law our book also provides a rich exploration of the dominant corrective justice and law and economics approaches to tort law as exemplified both in the retained and new cases and materials new to the twelfth edition extensive new treatment of public nuisance cases to address the profound expansion of the once sleepy area of public nuisance law into the realms of the opioid crisis toxic torts and global warming major reconsideration of who counts as a seller in the chain of distribution for goods

sold online with product liability updates for various forms of e commerce such as amazon s liability for defective products sold on its site updates to incorporate two major new torts restatements on intentional harms and liability insurance the reforms of the michigan no fault legislation enhanced treatment of privacy in the era of big data to address trend of large data collectors like facebook and google to determine what is reasonable online incorporating major privacy legislation such as california s consumer privacy act and the european gdpr general data protection regulation expansion of materials that address race and gender disparities in the setting of damages awards and in the realm of punitive damages innovative remedies directing some portion of the award to public interest groups professors and students will benefit from clear organizational framework of the book important lines of cases that help understand legal reasoning and the evolution of precedent inclusion of key academic commentary and elaboration of central intellectual disputes over the nature and function of the tort law ability to pick and choose modules of interest such as defamation privacy and economic harms which are of increasing importance in real world of tort litigation extensive notes with topic headlines that elaborate basic concepts and extend into the most complex contemporary issues facing courts great attention given to cutting edge tort developments the purchase of this ebook edition does not entitle you to

receive access to the connected ebook with study center on casebookconnect you will need to purchase a new print book to get access to the full experience including lifetime access to the online ebook with highlight annotation and search capabilities practice questions from your favorite study aids an outline tool and other helpful resources the torts process ninth edition uses a student friendly procedurally focused approach that relies on proven problem and cases pedagogy to illuminate the overarching structure and organization of tort law its lively mix of problems cases notes and questions stimulate thought and discussion while providing a firm foundation in tort doctrine history and theory
