valuable book since 1980 shraddhavan has been teaching english in auroville through close readings of sri aurobindo s revelatory epic savitri a legend and a symbol in august 1998 these classes were resumed at savitri bhavan with a growing number of students including young tamil teacher trainees from the arul vazhi school located in promesse auroville these classes were given the name the english of savitri and they concluded in may of 2009 as this group reached the end of the poem this book is based on the transcripts of a new series of classes given by shraddhavan between august 2009 and october 2010 which have been edited for conciseness and clarity while aiming to preserve some of the informal atmosphere of the course edited transcripts of these classes began to be published serially in the bhavan s journal of study notes on savitri invocation from issue 32 onwards since it was felt that they may be of interest to a wider audience they are now being published in book form in several volumes by yukta prakashan publishers of vadodara this suggested the idea of collecting the original english articles into a book form as well this is the first such volume covering all the five cantos of book one of the poem the book of beginnings valerian and laureline no longer members of any organisation are down to doing space deliveries with galaxy gone and money getting scarce their aging spaceship is becoming a hazard which is pushing valerian into accepting questionable cargo after a somewhat rough landing our two ex agents on their way to deliver their goods meet some individuals with very surprising gifts who claim to be itinerant artists but is that really all they are note this book is written in full color the diary of ochibi 7 in mametsubu cho a little town somewhere in japan s ancient capital of kamakura the cheerful ochibi lives a free and easy life together with his friends he welcomes new discoveries and acquaintances that come with the changing seasons volume 7 when crest leads an unlikely group on his search for the planet of eternal life they end up on a version of ferrol that shouldn t exist are they in a parallel universe that will somehow let them find immortality meanwhile sid comes face to face with his greatest foe or so it seems ivanovich goratschin killed sid s childhood friend but he s been dead for a long time his twin brother claims to be making a fresh start but how much can sid trust him far away in the vega system rhodan s crew lost in space and time after landing on the ferron world of reyan discovers a conflict brewing between the water dwellers and the land dwellers two groups descended from the original colonists back home dr manoli and the historian aescunnar have begun a space journey of their own as they attempt to learn more about the arkonides prior activities in earth s solar system their research soon brings them to saturn s moons where danger and an uncertain fate await them anthony c yu s translation of the journey to the west initially published in 1983 introduced english speaking audiences to the classic chinese novel in its entirety for the

first time written in the sixteenth century the journey to the west tells the story of the fourteen year pilgrimage of the monk xuanzang one of china s most famous religious heroes and his three supernatural disciples in search of buddhist scriptures throughout his journey xuanzang fights demons who wish to eat him communes with spirits and traverses a land riddled with a multitude of obstacles both real and fantastical an adventure rich with danger and excitement this seminal work of the chinese literary canon is by turns allegory satire and fantasy with over a hundred chapters written in both prose and poetry the journey to the west has always been a complicated and difficult text to render in english while preserving the lyricism of its language and the content of its plot but yu has successfully taken on the task and in this new edition he has made his translations even more accurate and accessible the explanatory notes are updated and augmented and yu has added new material to his introduction based on his original research as well as on the newest literary criticism and scholarship on chinese religious traditions he has also modernized the transliterations included in each volume using the now standard hanyu pinyin romanization system perhaps most important yu has made changes to the translation itself in order to make it as precise as possible one of the great works of chinese literature the journey to the west is not only invaluable to scholars of eastern religion and literature but in yu s elegant rendering also a delight for any reader this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other
