of it how you implement the rules or not is entirely up to you these are just guidelines things that we have found have been fun and work well in our relationship feel free to alter or change a rule to fit your own situations we have even included a number of pages for you to add your own specific rules that you may have that is not included in our own rules what you have in the end is pretty much an owner's manual for your submissive husband what better fun can there be for a submissive husband to know that in his house is a book of rules that he must follow else he may be punished by his dominant wife i personally like to leave the book lying around the house just so my submissive husband can see it and know that it is there
