preservation process and thank you for being an important part of keeping this knowledge alive and relevant the purpose of this report is to provide information comparing semiannual motor vehicle inspection systems with annual inspection systems a review of the literature dealing with the similarities and differences between semiannual and annual programs was conducted some of the reports reviewed investigated the causes of motor vehicle accidents while others examined the effect of periodic motor vehicle inspection on the mechanical condition of vehicles or vehicle accident rates also included were studies which examined the influence of age and

mileage factors on the condition of vehicles generally the literature supports an inspection system based on age and mileage factors on the basis of the literature reviewed a benefit cost analysis comparing virginia s semiannual inspection program with a theoretical annual inspection program was performed the results showed that the annual program is more cost beneficial although semi annual programs may also return benefits in excess of costs to the public the first report includes also a tabulated financial statement of the school cities and towns for the year ending july 31 1909 with a report on the inventory corporations and an appendix public accounting law
