The text is easy enough for students to read with your skillful support. Guided reading operates alongside shared and independent reading in the classroom. The teaching practice of guided reading is underpinned by the work of theorists such as Vygotsky and Bruner. These theories hold that learning is socially constructed through engagement with others. Guided reading is a teaching method used to support children towards independent reading. A teacher gathers a small group of learners and sits with them while they read the chosen text independently. The teacher takes on a supportive role, assisting when needed and prompting children to think about the text they are reading. Guided reading, or as Lindsay Pickton refers to it, guiding comprehension, is one of the most powerful teaching tools you have to meet higher standards of reading. Teaching reading in this way gives teachers the opportunity to work closely with students, tailoring the teaching and the level of the text to their needs.
