reporter trained to reveal nothing but he was falling in love with her political treachery and private greed had already softened up the town for the big sell out all that had to be done now was to silence a few stubborn citizens kat hubble was one of them and blackmail was their favourite weapon the oct nov 2017 issue features short stories by sarah neubrand joshua jarman and william gensburger an interview with mickey mikkelson publicist to many authors including robert j sawyer an article on making audiobooks book review of a million steps by kurt koontz and more baudrillard meets breaking bad in this stark and bleakly hilarious novel about a descent into an underclass world of born again christianity self help and crack in his journal paul liked to make lists what he ordered from commissary shaving cream toothpaste deodorant the transistor radio he had for a week before the guards took it away the books he picked off the cart the bible dean koontz stephen king codependent no more what phone calls he made and received also bible study certificates letters and cards his workout routines and his moods anxious nervous trusting in god but mostly depressed paul has a record of every push up he did while he was in prison but he cannot remember shit about what happened before his arrest from summer of hate waking up from the chilling high of a near death sex game catt dunlop travels to albuquerque in 2005 to reinvest some windfall real estate gains and reengage with something approximating real life aware that the critical discourse she has used to build her career as a visiting professor and art critic is really a cipher for something else she hopes that buying and fixing slum buildings will bring her more closely in touch with american life than the essays she writes in albuquerque she becomes romantically involved with paul garcia a recently sober ex con who has just served sixteen months in state prison for defrauding halliburton industries his former employer of 873 almost forty years old paul is highly intelligent but has only been out of new mexico twice he has no information with catt s help he makes plans to attend ucla only to be arrested on a ten year old bench warrant en route caught in the nightmarish byzantine world of the legal system catt and paul s empathic attempts to save each other s lives seems

doomed to dissolve summer of hate is a novel about flawed reciprocity and american justice recording recent events through the prism of a beleaguered romance as lucid and trenchant as ever kraus in her newest novel reminds us that the writer can be a first responder of sorts when power becomes invisible or merely banal to ever loyal kirby winter multimillionaire uncle omar left nothing nothing but a gold watch and a sealed letter to be opened in one year but kirby is destined to inherit the magical power to freeze time in its tracks power like that promises unlimited wealth wealth that can t buy love but does make a down payment on a lot of deadly trouble in a universe without time can kirby stay one step ahead author kurt koontz freely admits that he is not wholly guided by his spirit when he first begins to dabble in yoga an outdoor adventurer he enjoys the challenging physicality of the exercise which leads him to try several different types of yoga seeking both fitness and female company however when a friend from afar encourages kurt to seek new adventures in rishikesh india the self professed yoga capital of the world kurt feels called to the city and its yoga studios in practice his newest memoir kurt guides readers through his three journeys to india in vivid poignant detail with unfailing honesty and humor kurt treats his readers to the visual and cultural richness of rishikesh aware of his great fortune in visiting such a beautiful city kurt shares his unbound admiration for his new surroundings and not only for the lush foothills of the himalayas and the sacred river ganges but also for the many families who welcome him soon that welcome extends into the yoga world where kurt finds a studio and teacher who will entirely transform his conception of yoga practice is a spiritual exploration grounded in the modern world that speaks not just to yogis and travelers but to all adventurers to all who strive to expand their own wisdom and compassion through soul deep introspection the book grizzard was working on when he died and contains what he thought represented the best of the last decade of his writing when a yacht explodes in the bahamas apparently killing six people sam boyleston an attorney from texas and the brother of one of the victims is compelled to investigate the circumstances as does raoul kelly a newspaper reporter after the disaster the

yacht s burned captain was temporarily marooned on a small island and soon it becomes apparent that one person is ruthlessly manipulating events but for boyleston and kelly proving guilt appears impossible a major suspense novel new york times koontz is brilliant in the creation of his characters and in building tension chicago sun times in los angeles a hot hollywood director high on pcp turns a city street into a fiery apocalypse heroic lapd officer jac mcgarvey is badly wounded and will not walk for months his wife and his child are left to fend for themselves against both criminals that control an increasingly violent city and the dead director s cult of fanatic fans in a lonely corner of montana eduardo fernandez the father of mcgarvey s murdered partner witnesses a strange nocturnal sight the stand of pines outside his house suddenly glows with eerie amber light and fernandez senses a watcher in the winter woods as the seasons change the very creatures of the forest seem in league with a mysterious presence fernandez is caught up in a series of chilling incidents that escalate toward a confrontation that could rob him of his sanity or his life or both as events careen out of control the mcgarvey family is drawn to fernandez s montana ranch in that isolated place they discover their destiny in a terrifying and fiercely suspenseful encounter with a hostile utterly ruthless and enigmatic enemy from which neither the living nor the dead are safe bonus this edition contains an excerpt from dean koontz s the city suddenly downsized from her corporate telecom career canadian sue kenney walked 780 kilometers on a medieval pilgrimage route in spain known as the camino de santiago de compostella she went alone in the winter with the intention of finding her life purpose blended with her profound experiences as a pilgrim her athletic discipline as a competitive world class master s rower and her extensive background in the telecommunications industry sue offers a unique perspective by sharing the lessons and virtues of being a simple pilgrim on the camino as a metaphor for being on a life journey with purpose sue has written a second book called confessions of a pilgrim four novellas from stephen king bound together by the changing of seasons each taking on the theme of a journey with strikingly different tones and characters
