man ted mortimer journeys to the lost city of atlanta and a showdown
that might determine the fate of humanity this work available for the
first time in english is the noted tanzanian author and poet mathais
mnyampala s reconstruction of the history and customs of his people
first published in swahili by the east africa literature bureau in 1954 it
was one of a number of histories informally sponsored by the british
colonial government that were designed to promote tribal cohesion in
the face of growing african nationalism in the long run it helped
inspire the nationalist movement locally it became part of a discourse
among nationalist modernizers traditional intellectuals and colonizers
that shaped the end of colonial hegemony and the coming of
independence to tanzania gekko describes the gekko mobile s powers
including how it can climb walls and drive underwater the beat was
the first book to explore the musical social and cultural phenomenon of
go go music in this edition updated by a substantial chapter on the
current scene authors kip lornell and charles c stephenson jr place go
go within black popular music made since the middle 1970s a period
during which hip hop has predominated this styling reflects the

district s african american heritage its super charged drumming and
vocal combinations of hip hop funk and soul evolved and still thrive on
the streets of washington dc and in neighboring prince george s
county making it the most geographically compact form of popular
music go go the only musical form indigenous to washington dc
features a highly syncopated nonstop beat and vocals that are spoken
as well as sung the book chronicles its development and ongoing
popularity focusing on many of its key figures and institutions
including established acts such as chuck brown the godfather of go go
experience unlimited rare essence and trouble funk well known djs
managers and promoters and filmmakers who have incorporated it
into their work the beat provides longtime fans and those who study
american musical forms a definitive look at the music and its makers
when david attenborough filmed his ground breaking series life on
earth in 1978 he chose one place in the world to demonstrate the early
evolution of fishes gogo gogo in the wild kimberly district of western
australia is one of the world s most significant fossil sites because it
shows 375 million year old fishes preserved in stunning three
dimensional preservation these fossils provide a rare window into the
anatomy of primitive fishes at the critical stage when fishes were
starting to evolve into the first land animals the line ultimately leading
to humans yet despite being such an important fossil site it has had a
mysterious and checkered history of discovery written by
paleontologist john long who has spent over 20 years searching and
working the gogo sites swimming in stone tells the amazing stories of
the people who discovered the fossils the development of the chemical
preparation methods that freed the old bones from their rocky tombs
and how the flood of new da this is a reproduction of the original
artefact generally these books are created from careful scans of the
original this allows us to preserve the book accurately and present it in
the way the author intended since the original versions are generally
quite old there may occasionally be certain imperfections within these
reproductions we re happy to make these classics available again for
future generations to enjoy the 1960s bull market was a wild time of
unbridled growth and stellar performance it remains a pivotal era in
american financial history a time of corporate gunslingers mutual
funds new issue stocks chinese money and the conglomerates but it is
also a cautionary tale of wall street for today s investor chronicling the
personalities markets events and trends that drove stocks up
throughout the 1960s and made millionaires of many until the
inevitable crashes in the 1970s the go go years is the harrowing and
humorous story of the growth stocks of the 1960s and how their
meteoric rise caused a multitude of small investors to thrive until the
devastating market crashes in the 1970s it was a time when greed
drove the market and fast money was being made and lost as the go go
stocks surged and plunged included are the stories of such high profile
