this is one of the  
most significant  
military books of  
the twentieth  
century by an  
outstanding soldier  
of independent  
mind it pushed  
forward the  
evolution of land  
warfare and was  
directly responsible  
for german

armoured  
supremacy in the  
early years of the  
second world war  
published in 1937  
the result of 15  
years of careful  
study since his days  
on the german  
general staff in the  
first world war  
guderian s book  
argued quite clearly  
how vital the  
proper use of tanks  
and supporting  
armoured vehicles  
would be in the  
conduct of a future  
war when that war  
came just two years  
later he proved it  
leading his panzers  
with distinction in  
the polish french  
and russian  
campaigns panzer

you'll find all the expert advice and know how you need to unlock your camera's capabilities to their fullest potential from working with the basics of lighting and exposure to making sense of your camera's fanciest features you'll be snapping professional grade photos in a flash learn the five essential options for shooting quality photos understand the settings that control exposure take charge of color and focus features put your skills together to shoot portraits close ups and action shots whether you're shooting in automatic mode scene mode or manual mode you'll

get all the guidance you need to take photos you'll be proud to share what shapes the cultural political and ideological values of young people living in southeastern europe which identities matter to them how are their values changing and how can they be changed who is changing them europe's periphery is the testing ground for the success of european values and identities the future stability and political coherence of the union will be determined in large measure by identity issues in this region this book examines the ways in which ethnic and national values and identities have been

surpassed as the overriding focus in the lives of the region's youth employing bottom up ethnographic and interview based approaches it explores when and where ethnic and national identification processes become salient using intra national and international comparisons of youth populations of albania bosnia herzegovina croatia macedonia montenegro and serbia contributors uncover the mechanisms by which ethnic identities are evoked reproduced and challenged in addition to exploring political regional cultural generational and class identities the

contributors examine wider questions of european unity this volume offers a corrective to previous thinking about youth ethnic identities and will prove useful to scholars in political science and sociology studying issues of ethnic and national identities and nationalism as well as youth cultures and identities this book looks at the link between voters and political party systems in asian democracies focusing on india indonesia korea and the philippines it discusses this link in terms of three distinct elements the formation of voters preferences the translation of preferences into

votes and the translation of votes into seats the book goes on to discuss how far the general rules of political party systems and their underlying causal mechanisms such as strategic voting are apparent in these asian democracies in particular it explores the extent to which electoral rules and social structural variables affect the process of transforming preferences into a political party system within the context of asian politics the extensive areas covered by the book overcome the traditional sub regional division of asia namely east southeast and south asia this single volume explores the

Is it about knowing the difference between having a desire for a better marriage and setting the goal of a better marriage as readers look in the mirror to see how they can change? Bestselling author Linda Dillow understands that most women want more from their marriage but don't know how to get it. In 'What's It Like to Be Married to Me', Dillow challenges readers to ask the riskiest questions: what is it like to be married to me? What is it like to make love with me? Why

do I want to stay mad at you? Extremely intimate and honest. What's it like to be married to me? Is not a book about marriage at all. It is a book about how to live out marriage day by day and year by year and watch who you become as a wife impacts the intimacy in your marriage.
