Macmillan English Practice Book 2012-03-19
student unit guides are perfect for revision
each guide is written by an examiner and
explains the unit requirements summarises the
relevant unit content and includes a series of
specimen questions and answers there are
three sections to each guide introduction
includes advice on how to use the guide an
explanation of the skills being tested by the
assessment objectives an outline of the unit or
module and depending on the unit suggestions
for how to revise effectively and prepare for the
examination questions content guidance
provides an examiner s overview of the module
s key terms and concepts and identifies
opportunities to exhibit the skills required by
the unit it is designed to help students to
structure their revision and make them aware
of the concepts they need to understand the
exam and how they might analyse and evaluate
topics question and answers sample questions
and with graded answers which have been
carefully written to reflect the style of the unit
all responses are accompanied by
commentaries which highlight their respective
strengths and weaknesses giving students an
insight into the mind of the examiner
