there are some who might say adventure is a young mans
gamebut is age the only indicator of youth can someone be brave
and wild at an older age as well especially if filled with passion
along the beaches of the dead sea a group of varied
archaeologists come together to seek adventure no matter the
cost jon and his team are mostly young but aging professor craft
isnt one to let the young people take charge its been years since
his last big find and hes hungry for glory once again perhaps in
the form of a dead sea scroll but the team soon stumbles upon
ancient puzzles and mystery that could very well end in death the
professor might be weaker in body but he is strong in mind and
wiser than his younger cohorts as the dig unearths secret after
secret he feels a great find is close at hand yet how far are these
