periodical the russian messenger tolstoy clashed with editor mikhail Quiz katkov over political issues that arose in the final installment tolstoy's negative views of russian volunteers going to fight in serbia therefore the novel's first complete appearance was in book form in 1878 widely regarded as a pinnacle in realist fiction tolstoy considered anna karenina his first true novel fyodor dostoyevsky declared it flawless as a work of art his opinion was shared by vladimir nabokov who especially admired the flawless magic of tolstoy's style and by william faulkner who described the novel as the best ever written the novel remains popular as demonstrated by a 2007 poll of 125 contemporary authors in time which declared that anna karenina is the greatest book ever written most contemporary theologians of holy orders consider priesthood mainly in its diocesan context and most contemporary theologians of religious life do not consider how ordained ministry functions when it is internal rather than external to religious life understanding the religious priesthood provides a history and theology of religious priesthood that contributes to our understanding of this vocation's identity and mission it uncovers what religious priesthood shares with diocesan priesthood and non ordained religious life and what makes it different from both those other vocations christian raab begins by tracing the history of religious priesthood from its origins in the early church to the eve of the second vatican council he demonstrates that religious priests often faced questions about how to reconcile their two callings but that they also provided answers in their theologies and spiritualities of priesthood and religious life meanwhile they made key contributions to the church's life and mission raab then investigates the teachings of the second vatican council on priesthood and religious life observing that the council presented priesthood according to a diocesan typology and presented religious life without

sacerdotal associations he argues that the lack of imagery of religious priesthood contributed to a post conciliar vocational identity crisis among religious priests he then seeks to remedy this lacuna by appealing to the biblical images for religious priesthood hans urs Graphics von balthasar offered in his theology of vocations raab argues that balthasar s imagery is a promising way forward for understanding the identity and mission of religious priesthood in a final part raab provides a substantial theological articulation of religious priesthood which illuminates its liturgical signification ecclesial mediation and mission and ministerial identity here he draws not only from balthasar but also from pope john paul ii yves congar jean marie tillard brian daley and guy mansini
